Re: Elk Grove, CA class site

This notification is to inform that the class site in Elk Grove, CA will be suspended as of **December 18, 2011** until further notice. The last date for exams to be taken with Ron Gaddini is **December 17, 2011**. All remaining exams will be returned to WCC on **December 19, 2011**.

You will remain an apprentice with the JATC. You will continue doing lessons in the exact same fashion that you have been doing them. There is one change that will require your immediate action (see item #1). Also listed are other important items.

1. You must choose your own proctor to administer your exams. You may continue to use Ron Gaddini if you contact Ron directly and he is available for you. If you have made arrangements with Ron, you must notify WCC of this decision before you continue requesting exams. If you choose a new proctor you must view the new proctor rules and submit a change-of-proctor form to WCC. You can download this form at <https://jatc669.wccnet.edu> under the link **Proctor Identification Form**. You may also call WCC to have this form mailed to you.

Journeypersons who are willing to proctor your exams:

Ron Gaddini	UA ID #1539367	(209)744-8651 home
Scott Rasmussen	UA ID #1097843	(530)753-4637 home
Scott Paczesniak	UA ID #1493480	(916)983-4928 home

2. You will no longer be held to the requirement of 4 core/4 elective classes per year. You will be held delinquent until the **August** raise period if class requirements have not been met for the **2011 calendar year**.
3. You will need to attend the Formal classes that are held in your area. With the requirement of 2 in your first 3 years and a total of 3 in 5 years to meet the requirements necessary to complete the training program. You are encouraged to take advantage of all the training opportunities available to you.

If you have any questions contact the JATC or WCC office.
