Test Day

September 11

*****Deluge Systems***

September 18

******Formal Class – NFPA14***

September 25

Test Day

You must use the designated instructor to proctor your exams

The tutoring is optional for apprentices who have not had two (2) failures. Those with two (2) or more failures must receive eight (8) hours tutoring each quarter.

The instructor will conduct 8 classes on 8 topics in the course of a year. You must attend a minimum of 6 topics in a calendar year or you will be held in classification until the requirements are met for that year.
