Dear Participant:

Sprinkler Fitters 669 and the NASI Welfare Fund have partnered with Health Gauge to provide healthcare screenings at NO COST TO YOU.

Who is eligible to participate?

All eligible NASI Welfare Fund Participants, eligible spouses and dependents 18+, and eligible NASI Welfare Fund retirees and beneficiaries (both pre-Medicare and Medicare).

Date and Location

Thursday May 28, 2026	9:00am - 5:00pm	Sprinkler Fitters 268	1544 3rd St. St. Louis, MO 63104
Friday May 29, 2026	9:00am - 5:00pm	Sprinkler Fitters 268	1544 3rd St. St. Louis, MO 63104
Saturday May 30, 2026	8:00am – 1:00pm	Sprinkler Fitters 268	1544 3rd St. St. Louis, MO 63104

How do I participate?

Step 1: Call Toll Free 515-244-3080 to schedule your health screening appointment.

Or schedule online at <https://NASI.hgscreenings.com>

Step 2: Attend your onsite health screening at the scheduled time.

IMPORTANT: Fasting is NOT required.

Step 3: Ultrasound Results will be provided the day of the event.

Bloodwork and Biometric Reporting will be available within 10-14 business days.

What should I expect the day of the screening?

Screenings will be completed in under an hour. When you arrive at the screening, you will be greeted by a Health Gauge staff member. The staff member will check you in. The confidential health screening will include biometrics, such as height, weight, waist and hip measurements, resting pulse, and blood pressure. Non-invasive ultrasound screenings will be performed to identify blockages in the neck, abdomen, and legs. These blockages can lead to stroke and various cardiovascular conditions that can be life threatening and debilitating if left undetected and untreated. Additionally, a comprehensive blood draw will be completed.

These tests are not meant to replace your Primary Care Physician, but are meant to improve communication with your Physician at your next appointment.

The Fund Office sincerely hopes the program will provide convenient access that will allow you to take advantage of this benefit.

Please refer to the attached informational flyer to obtain more details or simply contact Health Gauge at (515) 244-3080 for additional information.

Saturday, May 30, 8:00 AM – 1:00 PM

NASI 669 - Tema Stethem

I'm a long-time wife of a local 669 member. I came into these screenings not knowing what to expect and was pleasantly surprised. This professional, fun, and efficient team performed several ultrasounds, biometrics, and a full blood draw. I was out the door in under an hour. I was especially surprised that they found a structure on my thyroid nodule that had attached itself to my vocal cords. My doctor was able to remove the nodule before it turned into a much bigger issue. The care and service of Health Gauge is simply amazing!
