Dear Participant:

The NASI Fund Office has partnered with Health Gauge to provide a healthcare screening at NO COST TO YOU.

Who is eligible to participate?

All eligible NASI Welfare Fund Participants, eligible spouses and dependents (18 years of age and older), and eligible NASI Welfare Fund retirees and beneficiaries (both pre-Medicare and Medicare).

Dates and Location.

Thursday, July 10 th 2025	12:00pm – 7:00pm	UA Local 392 Training Center	1300 Century Circle N Cincinnati, OH 45246
Friday, July 11 th 2025	12:00pm – 7:00pm	UA Local 625	3601 James St. Charleston, WV 25387

How do I participate?

Step 1: Call 515-244-3080 to schedule your health screening appointment

Or online at: <https://NASI.hgscreenings.com>

Step 2: Attend your onsite health screening at the scheduled time.

IMPORTANT: Fasting is OPTIONAL - NOT required.

Step 3: Ultrasound Results will be provided the day of the event.

Bloodwork and Biometric Reporting will be available within 10-14 business days

What should I expect the day of the screening?

Screenings will be completed in under an hour. When you arrive at the screening, you will be greeted by a Health Gauge staff member. The staff member will check you in. The confidential health screening will include biometrics, such as height, weight, waist and hip measurements, resting pulse, and blood pressure. Non-invasive ultrasound screenings will be performed to identify blockages in the neck, abdomen, and legs. These blockages can lead to stroke and various cardiovascular conditions that can be life threatening and debilitating if left undetected and untreated. Additionally, a comprehensive blood draw will be completed.

These tests are not meant to replace your Primary Care Physician, but are meant to improve communication with your Physician at your next appointment.

The Fund Office sincerely hopes the program will provide convenient access that will allow you to take advantage of this benefit.

Please refer to the attached informational flyer to obtain more details or simply contact Health Gauge at (515) 244-3080 for additional information.

Friday, July 11th - 12:00 PM - 7:00 PM

Lynda Hay – NASI 417

“I came to the free screening provided by the local and am so glad that I did. The ultrasound technician found a nodule in my thyroid. I have since had it biopsied. Due to there being a 75% chance of cancer, we went ahead and removed the nodule and 1/2 of my thyroid. I strongly recommend that everyone take advantage of the free screenings.”

To make an appointment (required):

Call 515-244-3080 or visit:
